WELCOME TO WEST SOUND WORKFORCE

Thank you for registering for employment through West Sound Workforce (WSW). We are happy to have you as part of our team.

West Sound Workforce is a professional staffing and recruiting company serving the staffing needs of Pierce, Kitsap, Mason, and Jefferson counties. We are a woman-owned, small business, certified by the State of Washington as a Women's Business Enterprise (WBE).

We have been providing temporary, temp-to-hire and direct hire staffing services since 1998. We provide services for all levels of employment in many different industries.

All of our placement fees are paid by our client companies, so there is never a fee to our candidates/employees. West Sound Workforce will be your employer and handle any time off, sick leave or concerns you may have about your assignment.

When you work on a temporary assignment through WSW, you are our employee and a valuable member of our team. Even though you will be working at our client's site, you remain an employee of WSW. We will call you on a regular basis to find out how the assignment is working out for you. In the meantime, please call or text us with any questions or concerns you might have. If you have to call after hours, just leave a message and your phone number where you can be reached.

Again, welcome to the West Sound Workforce Team. We look forward to a mutually satisfying and beneficial relationship.

Sincerely,

Monica Blackwood

President & CEO

WORKING WITH THE CLIENT COMPANY

- **Report to work each day.** When you agree to accept an assignment, we make a commitment on your behalf to the client company. Both WSW and the client company are depending on you, and it's important that you follow through on your commitment.
- **Be at work on time.** Client companies who contract with us do so because they really need the extra help. It causes confusion and disrupts the work environment if you are late.
- **Dress appropriately** for the work environment. We will give you complete information about the work you'll be doing. Please report to work dressed appropriately.
- **Do not use your cell phone** during work hours. It is inappropriate to use the client's time to make personal calls. You need to turn off your cell phone during work hours, and limit personal calls to breaks or lunches when you are on your own time and away from your work space. If you do need to make a personal call on a break, please step outside to do so. If you need to provide an emergency number to your family, give out WSW as a contact number (253) 853-3633 or (360) 394-1882. We will relay those calls to you immediately and also make the client aware of the situation.
- **Do not use the client company's computers, phones, or fax machines for anything other than work-related business.** Furthermore, you must follow the client company's policies regarding the use of their computers, phones, and other systems, even though they may be more restrictive than WSW's. *
- **Abide by the Confidentiality Agreement you signed when you interviewed with us.**

You agreed that you would not: *

- Disclose client information.
- Disclose information about the clients' operations, procedures or customers.
- Remove documents or materials from the client's premises.

*Nothing in this policy is intended to restrict an employee's right to exercise protected speech and concerted activity under Section 7 of the National Labor Relations Act.

You agreed to:

- **Abide by the Service Agreement** you signed when you interviewed with us.
- **Not approach our client company** regarding employment for a period of one year after we've introduced you to them and arranged a job interview.
- **Not approach our client company** regarding employment for a period of one year from the end of your temporary assignment.
- **If our client offers you a direct-hire position while you are on assignment, you will refer them to us to handle the transition.**
- **Practice good safety habits on the job.** Your safety is very important to us. Please observe all safety rules on the job. Do not hesitate to ask your supervisor if you have any questions. And please let us know immediately if you feel that you are being put in an unsafe situation.
- **Do not drive your car or anyone else's as part of your job.** Unless we have agreed with the client company that you will be driving as part of your job, you should not use your car or anyone else's to run errands for the client company. If you are asked to drive during the course of your work, please ask the client company to give us a call.
- **Do not leave personal items at the worksite** as this is a temporary position. Any personal items left after your assignment ends will be held for you to pick-up in a West Sound Workforce office for 30 days. If not picked up, they will be donated to charity or discarded.

STAYING IN TOUCH WITH WEST SOUND WORKFORCE

- **Call WSW immediately if you are unable to report to your assignment.** Do not call the client company directly as we are your employer and we are the contact for the client company. You can call or text our offices any time at (253) 853-3633 or (360) 394-1882. If no one answers, please leave a detailed voicemail message. If you fail to notify WSW and then you do not report for work (even for one day), this is deemed a voluntary resignation from both your assignment and WSW and you will no longer be considered for further employment. If you are out ill for 3 or more consecutive days, you may be required to provide us with a note from your doctor verifying that you are able to return to work.

- **We will call you immediately if your assignment changes or ends.** If we are unable to reach you at your home number or on your cell phone, we will leave you a message on your voicemail, answering machine, or with the person answering the phone. It is your responsibility to check your messages regularly and promptly. If your shift has been cancelled and you have not checked your messages, or if we are unable to leave a message for you, you will not be compensated for any time spent reporting to the cancelled job.
- **Keep us informed.** When you learn that your assignment is nearing an end, please let us know whether you're available for another assignment. If the client company asks you to stay longer than originally anticipated, let us know that as well. Also, if you are having any problems on the job, we need to hear from you. Since we're your employer, you must keep us informed.
- **Submit your time card no later than 5:00 pm Sunday.** You can submit your time card through the WSW portal after the completion of your final shift of the week. We have provided you with instructions on how to complete it (see p. 10). Please be sure you submit your timesheet for your supervisor's approval by the deadline so we can have your paycheck available for you on Friday. If your online timecard is received after the deadline or if it has errors or omissions, you may have to wait until the following week for us to process your paycheck.
- **Give notice if you are quitting.** If you wish to complete your assignment, you must give WSW two weeks' notice. If you quit your assignment without proper notice, that means you are voluntarily resigning from WSW and will no longer be considered for other assignments.
- **In between assignments check in with us regularly.** Check the website often and email us with the job numbers of positions for which you feel qualified.

YOUR SAFETY IS THE HIGHEST IMPORTANCE TO US.

AND PROCESS FOR COMPLAINTS**

If you believe that you have been subjected to harassment or discrimination by a supervisor, management official, fellow employee, customer, client, vendor or any other person in connection with your employment by West Sound Workforce, you should immediately bring the matter to the attention of your West Sound Workforce supervisor or recruiter. ONLINE TIMECARD INSTRUCTIONS

West Sound Workforce uses an online time-card system (which we often refer to as a “portal”). Any West Sound Workforce employees with an active portal account can use the online time-card system.

NOTE: If you are logging into the portal for the very first time, check your email for a message with the title “Portal Login.” This email contains your User Name and your temporary password. When you log in for the first time, you will be prompted to create a new password and to set up security questions.

How to Fill Out and Submit an Online Time Card:

1. To log into the West Sound Workforce online time card system, click on the **Portal Login** link in the upper right-hand corner of westsoundworkforce.com

3. Once you are logged in, click the **Time Entry** icon at the top of the page.
4. After you click the Time Entry icon, you’ll see a drop-down menu called **Week End Date**. Click on it to choose the Week End Date that ENDS with the Sunday of the week for the time card you’re going to submit. The Week End Date field will always be set to the

current week, so always double-check that you're choosing the right week for your time card data.

5. After selecting the correct week for the time card you're filling out, click the underlined name of the business you are assigned to. (This link is located right below the word **Customer** in bold text.) When you click the name of the business you're assigned to, you'll be taken to a blank time card.
6. Enter the times you actually worked on the time card. Make sure you use AM and PM when you enter each time. Edit or delete times by clicking on the fields you want to change.

NOTE: A saved time card has not been submitted! We can only process time cards that have been submitted.

(If you work past 5:00 pm on Sundays, submit your time card as soon as you're done with your shift.) If you do not submit your time card by the deadline, we won't be able to process it until the next week.
10. A confirmation will appear when your time card has been saved or submitted.
11. You can un-submit an unprocessed Time Card on Monday by clicking the green **Unsubmit** button. The Unsubmit button will disappear when your supervisor approves your time. Any changes to your time card **AFTER** the Unsubmit button disappears must be handled by our staff.

CHOOSE BETWEEN TWO PAY OPTIONS

DIRECT DEPOSIT:

Your pay check will be available in your bank account by 5:00 pm Friday. You can set up direct deposit by completing the direct deposit eDocument in the online Employee Portal. Your pay stubs will be emailed to you.

IT IS ALSO YOUR RESPONSIBILITY TO LET WEST SOUND WORKFORCE KNOW IF YOU MAKE ANY CHANGES TO YOUR DIRECT DEPOSIT FORM!

PAYROLL CASH CARD:

Payroll Cash Cards allow workers who do not have bank accounts to bypass check-cashing services and the fees charged to convert checks into currency. You will be given an instant-issue card when you accept a job placement and your first deposit will occur the Friday following your first week of work.

After several payroll deposits you will receive a personalized Visa logo paycard at the mailing address you enter when enrolling in the program.

Follow directions that are included with your new card. After activating your permanent card, your funds will be accessible with your personalized Visa logo paycard. Keep your temporary card as a back-up.

On payday, West Sound Workforce will load a balance onto the card in the same amount that would have been given to you via a traditional paycheck or through a direct deposit. For example, if an employee's weekly pay is \$245 after deductions, every week the debit card is loaded with \$245. The paycard is not attached to a checking account nor is it a credit card, so **when all the money has been spent, the card is empty until the next payday.**

West Sound Workforce will make every effort to accurately process your paycheck. You are responsible for verifying that you have been paid correctly. You must notify us immediately if there is an error on your paycheck, so it can be corrected as quickly as possible.

If we do not receive your completed and signed enrollment form prior to the date coverage is to start, we will consider this to be a declination of coverage.

PAID SICK LEAVE*:
In compliance with Washington state law, employees accrue one hour of paid sick leave for every 40 hours worked. You will accrue paid sick leave only while you are working on an active assignment.

This leave may only be used for the following purposes:

- For your own illness or injury
- To care for an ill or injured family member, per outlined in the law
- For a medical appointment or treatment for self or a family member
- Closure of your workplace by order of a public official for a health-related reason
- Closure of your child's school or place of care by order of a public official for a health-related reason
- For absences that qualify for leave under the state's Domestic Violence Leave Act

Sick leave time must be requested on a timesheet the week that timesheet is due. For unforeseen circumstances, it may be requested no later than 10 days from the date for which sick leave is being requested. Requests beyond that time will not be granted.

You will not be discriminated or retaliated against, or disciplined, for lawfully using your paid sick leave rights. However, you may not use paid sick leave for vacation or any other personal time off. Using your paid sick leave time for inappropriate reasons is cause for immediate termination.

Your paid sick leave accrual year starts on your date of hire.

Your unused paid sick leave balance of 40 hours or less will carry over to the following year. **You are eligible to use accrued paid sick leave after completing 90 days of employment on active assignments.** You will be paid sick leave at your normal hourly rate of compensation for the assignment you are scheduled to work on the day you use paid sick leave. This rate does not include tips, premium rates, or overtime rates. If you have a break of over 12 months between assignments, your accumulation will start over.

You will only be compensated for paid sick leave taken while you are active on a current temporary assignment. If the client cancels your assignment, for any reason, you will no longer be compensated for paid sick leave.

You must provide reasonable advance notice of an absence from work for the use of paid sick leave to care for yourself or a family member. When leave is foreseeable, please provide at least 10 days' notice if possible. If the reason for your absence is unforeseeable, notice should be provided no later than one hour before the start of your shift. Employees must make reasonable efforts to schedule foreseeable time off so as not to unduly disrupt operations at their temporary assignment.

You must always notify us of your absence.

- **Do not call the client company** directly as we are your employer and

we are the contact for the client company.

- **You can call our offices any time** at (253) 853-3633 or (360) 394-1882.
If no one answers, please leave a detailed message.

In addition to notifying us of your absence, you must put the number of paid sick leave hours requested each day on your timecard. Select “Additional Items”, then select “Type”, then “Sick Leave WA” and enter the sick leave hours to be paid for each day. Do not enter more hours than you were scheduled to work. Your total sick leave hours requested cannot exceed the number that you have accrued. In the Notes Field you must enter the reason for your absence.

Please note: Verification may be required if an employee uses paid sick leave for more than three consecutive days for which the employee was scheduled to work. Verification must be provided within 10 calendar days of the first day you use paid sick leave to care for yourself or a family member. You may not be paid for sick leave taken in excess of three consecutive days until verification is provided. Employee’s working within the city limits of Seattle and Tacoma may have additional rights under their respective Paid Leave policies. Please visit those cities’ websites for further information.

*** All benefits are subject to change without prior notification. Some benefits do not apply to Payroll Service Employees.**

PAID FAMILY and MEDICAL LEAVE*:

Paid Family and Medical Leave is a mandatory statewide insurance program that will provide almost every Washington employee with paid time off to give or receive care.

If you qualify, this program will allow you to take up to 12 weeks, as needed, if you:

- Welcome a child into your family (through birth, adoption or foster placement);
- Experience a serious illness or injury;
- Need to care for a seriously ill or injured relative;
- Need time to prepare for a family member’s pre-and post-deployment activities, as well as time for childcare issues related to a family member’s military deployment.

If you face multiple events in a year, you might be eligible to receive up to 16 weeks, and up to 18 weeks if you experience a serious health condition during pregnancy that results in incapacity.

Payment of Premiums

The program is funded by premiums paid by both employees and employers. It will be administered by the Employment Security Department (ESD).

Premium collection started on January 1, 2019. In 2019, the premium is 0.4% of wages. Employers may withhold up to about 63 percent of the total premium from employees' paychecks, and then are required to contribute the other 37 percent. Premium collection will begin on January 1, 2019. The premiums are sent to ESD on a quarterly basis.

Taking Leave

Starting January 1, 2020, employees who have worked 820 hours in the qualifying period will be able to apply to take paid medical leave or paid family leave. The 820 hours are cumulative, regardless of the number of employers or jobs someone has during a year. All paid work over the course of the year counts toward the 820 hours, including part-time, seasonal and temporary work.

While on leave, you are entitled to partial wage replacement. That means you will receive a portion of your average weekly pay. The benefit is generally up to 90% of your weekly wage, with a minimum of \$100 per week and a maximum of \$1,000 per week. You will be paid by the State of Washington rather than your employer.

Federal Family Medical Leave Act (FMLA) may be taken in conjunction with the Washington State PFML time, providing you qualify.

Employers are prohibited from discriminating or retaliating against anyone for requesting or taking paid leave.

Remember, this is not paid sick leave. You file your claim with the Employment Security Department (ESD), and your payment will come from ESD. You can learn more at www.paidleave.wa.gov/workers.

Interviewing Tips

Before

- Dress professionally and conservatively (e.g. dress slacks or a skirt, and a nice blouse or business shirt). This does NOT include blue jeans! All clothing should be neat, clean, and pressed.
- Hair style and makeup, if you wear it, should also reflect a professional, conservative style of dress.
- Never wear cologne or perfume; you never know who has allergies.
- Visit the client company's website and take some time to familiarize yourself with them.
- Make sure you know the time and place of your interview, the position for which you're being considered, and the name of your interviewer.
- Always give yourself enough time to get to your interview. Arrive early, but never by more than 10 minutes.
- Bring a copy of your resume.
- Leave your cell phone in your car, or turn it completely off. Simply setting it to "silent" or "vibrate" is unprofessional.
- Have answers in mind for typical situational interview questions such as, "Describe a situation where you exhibited your professional strengths," or "Describe one of your biggest accomplishments."

During

- Be friendly and polite toward everyone in the office. Other employees are often asked what they thought of you.
- Do not ask anyone but your interviewer questions about your prospective position. You may be talking to someone who is being replaced.
- Stand when your interviewer enters the room, and greet him/her with a pleasant smile and a firm handshake.

- Avoid being either too relaxed or too rigid. You want to give the impression that you are easy to work with, but professional at all times.
- Speak clearly, confidently and thoughtfully, using proper grammar and maintaining a steady speed.
- Avoid over-thinking your answers or using vocabulary with which you are uncomfortable.
- Maintain good posture and eye contact throughout the interview to demonstrate that you are attentive and interested.
- Don't give in to nervous impulses such as clicking your pen, playing with your hair, or cracking your knuckles.
- Emphasize the skills, abilities, and personality traits that make you right for the position, without giving too much personal information. Remember that the focus is on you as an employee, not you as a person.
- Never speak negatively about previous employers.
- Show that you are interested in the position without sounding desperate. Your interviewer is thinking of how you can help them, not how they can help you.

After

- Ask your interviewer what the next step is. Though the answer will be that they are going to contact your recruiter, this shows that you are interested in moving forward, and also gives you an idea of what is to come.
- Your recruiter will be in contact with the client company to discuss the interview, and will then relay to you any feedback he/she has received.
- Follow up with your recruiter as soon as possible after your interview, and let her/him know your perceptions of the meeting.
